- If you have your own personal portal with Hunterdon Healthcare, you will receive an email informing you when you have been added as your child’s/children’s care manager. You can then log into your portal, select Hunterdon Pediatrics under your practices list, and select your child’s name from the drop down menu on the top right hand corner of your dashboard.
- If you do not already have your own portal, you will receive an email with a link to create one. Once you have done so, you will see Hunterdon Pediatrics listed under your practice list and select your child’s name from the drop down menu on your dashboard.

If you have any questions, please contact the Patient Portal Help Line at (908) 788-6688 for assistance.
