

## HUNTERDON HEALTH AUXILIARY

### 2023 LIGHTS OF LOVE AWARD

#### Nomination Criteria

There are countless people striving to address the endless needs and injustices of our community and our world, impacting us all in countless ways, seen and unseen. Each warrants our appreciation and our admiration.

Every year, in the month of December, the **Hunterdon Health Auxiliary** shall recognize outstanding people from two areas of our community with **the Hunterdon Health Lights of Love Award**. These two agents of change, one from within the Hunterdon Health Employee Community and one from the Hunterdon County Community, shall be nominated to and selected by the Lights of Love Planning Committee.

The two honorees shall be selected based on one or more of the following:

**Service** illuminated by compassion combined with initiative and effort to make the world a better place

**Social Responsibility** Illuminated by impactful service to their community through volunteer programs, social groups, outreach centers, sports programs, or educational programs

**Mentorship** illuminated by demonstrating positive values and efforts through service which inspire and propel others to similarly effect positive change

These two awards shall be presented during the Annual Lights of Love program. They shall be in the form of a certificate for each recipient, as well as a plaque located permanently in the Hunterdon Health Facility, edited each year to add the names of that year's two recipients.
