

# FREE BREAST SCREENING

## Early Detection Saves Lives

**Saturday, November 1st • 8:00 a.m. - 11:00 a.m.**  
Hunterdon Women's Imaging Center  
121 Route 31 South, Suite 1100 | Flemington, NJ 08822  
Included: One Clinical Breast Exam and One Screening Mammogram

### DID YOU KNOW?

- One in eight women will develop breast cancer during their lifetime.
- Routine screening can help prevent cancers and/or provide early detection when treatment is often less intensive and more successful.
- Cancer is the second leading cause of death in New Jersey and the United States.

### WHO IS THIS FOR?

- This program is open to women 40 years of age or older with no insurance
- Hunterdon county residents will be given priority for scheduling
- Please note: This is a screening event. Women experiencing any breast issues (lumps, pain, or nipple discharge) or women with a prior history of breast cancer will be navigated to other programs for assistance.

### Walk ins will not be accepted

**Registration required** by October 18, 2025. Call today to schedule an appointment or speak to a Navigator at **908-237-6028**.
