Hunterdon Health

OUR LOGO STORY

The Hunterdon Health logo embodies our legacy of caring and continued commitment to improving the health of our community.

← The heart encompasses everything we do, a trusted balance of clinical expertise and personalized care. While the heart remains anchored in its roots – embracing the balance between good medicine and compassionate care – it continues to grow to meet the expanding needs of our healthcare community.

The leaves symbolize our growth as we expand our knowledge of medicine and outreach to the community.

Hunterdon Health

The typeface is bold, open and modern to indicate our unwavering pursuit of excellence.

DEAR FRIEND,

For over 70 years, Hunterdon Health has had deep roots, a proud culture of caring, and a single-minded focus on supporting families throughout their health journey. Our new name and logo acknowledges our history and embodies our legacy of caring and continued commitment to improving the health of the families who live and work in our community.

The past few years have shifted how healthcare is accessed, provided and perceived. Research tells us that our community – our patients and our 2,700 employees – think about health and wellness in a more personal way and want to play a more active role in their care. In addition, the importance of achieving health equity and closing health disparities have become core components of our mission to embrace people, elevate care, and cultivate healthier communities for all.

Achieving health equity requires removing obstacles to obtaining health services to ensure all community members have access to services and feel safe, supported, and respected when seeking healthcare. At Hunterdon Health, we have worked hard to identify and address these obstacles and will continue to do so moving forward. We are proud to offer:

- Hearing loop systems and portable devices for the hearing impaired;
- A dedicated LGBTQ+ Nurse Navigator who offers compassionate care specific to their needs;
- Financial assistance for those with limited incomes and extenuating circumstances;
- Language assistance, interpreters and educational resources for those whose primary language is not English; and
- Bilingual Community Health Workers to assist our Spanish-speaking patients navigate the healthcare system and connect them to services by providing outreach, education, cancer screenings and navigation services.

The Hunterdon Health Resource Guide is available in print and on our website to help you find all the resources for your health care needs. Our founders understood the importance of having a primary care physician and promoting health and wellness beyond the hospital. Today, we reap the benefits of their innovative approach and have built a strong network of preventive, diagnostic and therapeutic inpatient and outpatient primary and specialty care services throughout Hunterdon, Somerset, Warren, Mercer and Morris counties.

Hunterdon Health is here for you. I encourage you to call our Hunterdon Health Physician Referral Service at 1-800-511-4462 to answer any questions you may have regarding our services. Whether you are new to Hunterdon Health or an old friend, we welcome you to our family of care.

To your good health,

Patrick J. Gavin

WE ARE HUNTERDON HEALTH

At Hunterdon Health, we believe in making things better – for everyone. Our primary care and specialty physicians partner to ensure that we provide the best care for you and your family, at the right time, in the most appropriate setting. And we pledge to hold ourselves to a high standard of excellence, compassion, transparency, respect and accountability. From primary care to obstetrics and cancer care to critical care, you can count on us to grow with you throughout your healthcare journey.

We provide a full range of preventive, diagnostic, and therapeutic inpatient and outpatient hospital and community health services. With a growing network of more than 30 primary and specialty practices throughout Hunterdon, Somerset, Mercer, Warren and Morris counties, Hunterdon Health continues to evolve and grow to meet the needs of the community, and our patients and their families. While we are proud to provide much of our care in offices and labs across the region, it's good to know that our 178-bed, not-for-profit teaching hospital, Hunterdon Medical Center, stands ready to provide emergency, critical and surgical care in Flemington, 24 hours a day, 7 days a week.

Hunterdon Health exists to be advocates of making better healthcare a reality for our patients, their families and community, inspiring a healthy way of living for all.

OUR MISSION STATEMENT

Embrace people, elevate care, and cultivate healthier communities.

OUR VISION STATEMENT

To be distinguished for clinical excellence and seamless, personalized care.

OUR VALUES

Our values represent the guiding principles that unite us in fulfilling our mission and shape our culture and how we show up each day to serve each other and our patients.

Through our actions and behaviors, all of us at Hunterdon Health promise to consistently and continually demonstrate our core values of...

Accountable
Adaptive
Authentic
Committed
Empowered
Inclusive

...and to support our mission and uphold the success of our organization.

AWARDS & RECOGNITIONS

ACCREDITED BY THE JOINT COMMISSION

The Joint Commission (TJC) for the Accreditation of Healthcare Organizations sets the standards by which healthcare quality is measured in America and around the world. To maintain and earn accreditation, Hunterdon Medical Center has an extensive on-site review by a team of TJC healthcare professionals, at least once every three years.

Hunterdon Medical Center has earned TJC's Gold Seal of Approval® and the American Stroke Association's Heart-Check mark for Primary Stroke Center Certification. HMC meets and exceeds better outcomes for patients experiencing a stroke and provides the critical elements to achieve long-term success in improving outcomes.

The Palliative Care program at Hunterdon Health is certified with TJC's Gold Seal of Approval® by demonstrating outstanding compliance with its performance standards.

MAGNET DESIGNATION FOR EXCELLENCE IN NURSING CARE

In July 2023, Hunterdon Health achieved its fourth Magnet™ designation, reinforcing a continued dedication to high-quality nursing excellence and adherence to national standards and delivery of nursing services by the American Nurses Credentialing Center's (ANCC) Magnet Recognition Program®. ANCC is the largest and most prestigious nursing

credentialing organization in the United States. Magnet™ designation is the highest honor given to hospital nursing. Only 8% of all healthcare organizations in the United States have achieved Magnet status, but less than one percent have their fourth designation.

ACCREDITED BY THE AMERICAN COLLEGE OF SURGEONS COMMISSION ON CANCER

The Commission on Cancer (CoC) awarded Hunterdon Medical Center's Hunterdon Regional Cancer Center the CoC's Outstanding Achievement Award (OAA). Attaining the OAA demonstrates that our cancer program has met

the requirements for all seven commendation-eligible CoC standards.

HUNTERDON REGIONAL CANCER CENTER DESIGNATED AS A NATIONAL COMMUNITY ONCOLOGY RESEARCH PROGRAM (NCORP)

The National Cancer Institute (NCI) has designated Hunterdon Regional Cancer Center (HRCC) as a National Community Oncology Research Program (NCORP). HRCC will be one of the major health systems and medical centers throughout northern

and central New Jersey that make up the Atlantic Health Cancer Consortium (AHCC) NCORP. As New Jersey's first and only NCORP, AHCC will help develop and implement NCI cancer prevention, screening, care delivery, and treatment studies with leading healthcare systems across the state.

ACCREDITED BY THE NATIONAL ACCREDITATION PROGRAM FOR BREAST CENTERS

Hunterdon Health's Breast Care Program has once again been granted 3-Year Accreditation by the National Accreditation Program for Breast Centers (NAPBC). As an NAPBC-accredited center, patients have access to high-quality care including information on clinical trials and new treatments, genetic counseling, and patient-centered services that provide psychosocial support and a survivorship care plan.

NURSES IMPROVING CARE TO HEALTHSYSTEM ELDERS

Nurses Improving Care to Healthsystem Elders (NICHE) has recognized Hunterdon Medical Center's commitment to elder care excellence. HMC is one of only 519 hospitals in North America to be designated a NICHE hospital and is one of only 49 hospitals in NJ to have earned both Magnet™ and NICHE status.

LEAPFROG HOSPITAL SAFETY GRADE

Since the Spring of 2020, Hunterdon Medical Center has been honored with an "A" Leapfrog Hospital Safety Grade by The Leapfrog Group. Leapfrog Hospital Safety Grades are assigned to nearly 3,000 general acute-care hospitals across the nation twice annually. The Safety Grade is the gold standard measure of patient safety.

GREAT PLACE TO WORK® CERTIFIED

Hunterdon Health is proud to be Certified™ by Great Place to Work® for the fifth year in a row. This significant recognition is based entirely on what current employees say about their experience working for Hunterdon Health. This year, 76% of employees said it's a great place to work.

DIVERSITY, EQUITY & INCLUSION

Hunterdon Health's mission is to embrace people, elevate care and cultivate healthier communities. As a vital component of that mission, we are committed to improving our diversity, equity, and inclusion (DEI) efforts not only for our employees, but also to better serve our patients as it directly affects patient health outcomes and quality of life in a profound way.

Health equity ensures that everyone has a fair and just opportunity to attain their highest level of health. We attain health equity by recognizing and addressing injustices, helping our community overcome economic, social, and other obstacles to health and health care and eliminating preventable health disparities.

Health disparities are preventable differences in the burden of disease, injury, violence, or opportunities to achieve optimal health that are experienced by those that have been disadvantaged by their social or economic status, geographic location, and environment. Populations that experience health disparities include people from some racial and ethnic minority groups, people with disabilities, women, people who are LGBTQ+ (lesbian, gay, bisexual, transgender, queer, intersex, or other), people with limited English proficiency, and other groups.

At Hunterdon Health, we continually strive to recognize and close health disparities and promote health equity and advocate for health justice. Practicing DEI will ensure the success of our mission and guarantee all of our community members have access to services and feel safe, supported, and respected when seeking healthcare.

A dedicated Nurse Navigator is available to support LGBTQ+ community members and their families find compassionate care specific to their needs. Please call or text (908) 246-8309 for more information. In recognition of inclusive practices, Hunterdon Health has earned a top score in Human Rights Campaign Foundation's 2024. Healthcare Equity Index (HEI). (Evaluation every 2 years.)

To better serve our deaf and hard-of-hearing patients, a hearing looping system is available at most registration points within Hunterdon Medical Center and Hunterdon Health physician practices. Portable devices, patient pocket talkers, video sign language interpretation and a CART (real-time captioning system) are available upon request.

Language assistance and interpreters are available upon request for those whose primary language is not English, free of charge, and educational resources are available in multiple languages. In addition, our bilingual Community Health Workers are available to assist our Spanish speaking patients navigate the healthcare system and connect them

to services. Please call 908-237-7039 for assistance. (*Hablamos Español!! Llame al 908-237-7039 para obtener ayuda.*)

Our Financial Assistance Program is for qualifying families with limited incomes and/or extenuating circumstances. To determine whether you or your family qualifies for this program, please call the Financial Assistance Office at (908) 788-6194 (option 2) or visit our website to check eligibility. (<https://www.hunterdonhealth.org/patients-and-visitors/financial-assistance>).

The NJ Cancer Education and Early Detection (NJCEED) grant program at the Hunterdon Regional Cancer Center provides comprehensive outreach, education and screening services for breast, cervical, colorectal and prostate cancers. Please call (908) 237-7039 or (908) 237-5409 for more information on the program, eligibility, and screening guidelines. Para participar en el programa, llame al 908-237-7039 o al 908-237-5409.*)

Hunterdon Health's Center for Healthy Aging offers a geriatric assessment program for those with complex and/or multiple health concerns and provides individuals with memory concerns a place to go for early detection, compassionate care, and memory loss education and support groups. Please call (908) 788-6373 or visit our website for more information about the programs offered (<https://www.hunterdonhealth.org/services/centerhealthy-aging>)

The Healthy Harvest Rx Program at the Center for Nutrition and Diabetes Management is a grant-funded program with the goal to decrease social-health inequities and improve patients' health outcomes. The referral based program serves those with food insecurity, diabetes, obesity, hypertension and high cholesterol. For more information, please call (908) 237-6920.

TRANSPORTATION

Hunterdon Health is proud to work with goHunterdon, a Transportation Management Association in Hunterdon County, NJ, to provide free Lyft and Uber rides to seniors in our community so they are able to get to their preventive care appointments. Through the Healthcare Access Transportation Program, a team works directly with home medical care coordinators at Hunterdon Health to identify patients 60 years or older who are at risk of missing non-emergency medical appointments due to a lack of transportation. There are also many other transportation options available throughout Hunterdon County for those who do not own a car or are unable to drive. Please visit our website at <https://www.hunterdonhealth.org/transportation-and-parking> for all available options.

OVERVIEW OF HUNTERDON HEALTH STAFF

Listed here are the names, addresses and telephone numbers of physicians and allied health providers on the medical staff of Hunterdon Medical Center and members of Hunterdon Health.

ACTIVE MEDICAL STAFF

Hunterdon Health's medical staff comprises over 400 physician members of the active and community active medical staff who are primary care and specialty care physicians, many of whom have offices at the Hunterdon Doctor's Office Building adjacent to the hospital and offices throughout the community. They provide outpatient and inpatient services and are the hospital's residency program faculty for training family medicine physicians.

COURTESY STAFF

Practitioners on the courtesy staff provide additional specialist and family medicine services and may provide inpatient care at Hunterdon Medical Center.

CONSULTING STAFF

Consulting staff members provide consultative services upon referral from the medical staff.

ABOUT OUR HOSPITALISTS

This program provides physicians who specialize in medical care for pediatric and adult inpatients. The hospitalist communicates with your primary care physician to ensure continuity of care and appropriate post-discharge care.

YOUR MEDICAL HOME

We believe that patients are best served by having an identified primary care physician. Your "personal physician" and their colleagues will be your Medical Home. This should be your first point of contact with the healthcare system for all your medical needs, except for emergency care. Any specialty physician should communicate their findings to your Medical Home. Your personal physician will:

- Provide follow-up care for your current condition.
- Provide continuous and comprehensive care through all stages of life.
- Be responsible for the coordination of all your care through all parts of the healthcare system.
- Direct you to the most appropriate specialists to provide that care when needed.
- Advise you when you are presented with different options for your care.
- Help to monitor all your medications to avoid interactions and duplication.
