

Hunterdon Health

Hunterdon Health Foundation

E-NEWSLETTER

Thank you for everything you do to support Hunterdon Health. As we move into February, I'm reminded that the work we do here is only possible because of the people—our patients, our staff, and the community that stands behind us.

Since it's American Heart Month, I'd love for you to watch a short video about Pastor Brian. His story is a great look at the cardiac care we provide at Hunterdon Health and a reminder of why this work matters so much.

I also want to recognize the incredible team of volunteers at Yesterday's Treasures. Because of their hard work keeping the store running—

Looking ahead, I hope you'll consider joining us for our next Lunch and Learn with Dr. Laurie Turenne-Kolpan. Dr. Turenne-Kolpan is a member of our Foundation Board and an excellent physician; she'll be leading a discussion on integrative medicine. If you'd like to attend, please be sure to register by March 2nd.

Finally, we are already preparing for Doctors' Day on March 30th. This is a great opportunity to honor a doctor or care provider at Hunterdon Health who has made a difference in your life. It's always a highlight for our team to see the notes of gratitude from the community.

Before I close, I want to share a quick update regarding our offices. The Foundation has moved;

selling furniture, decor, and gifts—they were able to donate \$133,127.45 to our Patient Support Funds. These funds provide a direct lifeline to patients who are struggling with medical bills or the financial stress that comes with a diagnosis. We are so grateful for the time and effort these volunteers put in to make such a meaningful impact for our patients.

we are no longer located in the Wescott Medical Arts Building, but can now be found on the first floor of the Medical Center. We look forward to welcoming you to our new space.

Thank you again for your trust in Hunterdon Health and for the way you show up for us. I look forward to everything we'll accomplish together this year.

With gratitude,

Phil Beekman
Senior Vice President,
Hunterdon Health Foundation

It Wasn't "Just Stress." It Was A Heart Attack

Pastor Brian was convinced his chest pains were just the result of a busy schedule—until a blunt question from his doctor changed everything. This American Heart Month, watch the incredible story of his life-saving journey at Hunterdon Medical Center.

Give Today, Help Patients like Brian!

What's Happening at Hunterdon Health Foundation?

The volunteers at Yesterday's Treasures have just proven how much a community can achieve when they work together, donating \$133,127.45 to Hunterdon Health Foundation, made possible through sales at the store through 2025. This isn't just a donation; it's the result of months of hard work spent sorting through donated furniture, polishing up home decor, and selling unique gifts at the shop. We owe a huge "thank you" to these volunteers. They spend their...(cont.)

The Hunterdon Central Regional High School boys' and girls' basketball teams proved that their biggest wins happen off the court, raising \$750 for the Hunterdon Regional Cancer Center during their recent "Pink Out" game. The stands were filled with more than just school spirit as students, families, and fans came together to support local cancer care, turning a night of competition into an opportunity to help neighbors in the middle of their toughest fights. This donation will go directly toward essential services and support for patients at the Cancer Center...(cont.)

The Friendly Sons of St. Patrick, Hunterdon County (FSSP) are stepping up for their neighbors, donating \$10,000 to Hunterdon Health to help patients manage two of the biggest hurdles in healthcare: getting to the doctor and paying for prescriptions. This donation is a natural extension of the Friendly Sons' mission to give back to Hunterdon County through meaningful community outreach.

By forging this new partnership with Hunterdon Health Foundation and Hunterdon Medical...(cont.)

The Hunterdon Health Foundation Has a New Home!

While we are no longer in the Wescott Medical Arts Building, you can now find our team on the first floor of the Medical Center.

Our phone number remains the same, but please update your records for any future mailings to our new address:

Hunterdon Health Foundation
2100 Wescott Drive
Flemington, NJ 08822

We look forward to seeing you in our new space!

Celebrating National Doctors' Day!

On March 30, we will celebrate National Doctors' Day. Every day, our doctors make an extraordinary impact on the lives of people across our community.

Whether you've experienced it firsthand or through a loved one, the impact of skilled physicians is unparalleled. From welcoming new babies to providing critical cancer treatment, our doctors are at the heart of Hunterdon Health, offering exceptional, consistent and reliable care for everyone, no matter who they are.

Will you join us today with a gift of thanks?
