Hunterdon Health Foundation

E-NEWSLETTER

Today is National Doctors' Day, and I want to take a moment to express my deepest gratitude to our incredible team of physicians. Their expertise, compassion, and tireless commitment to our patients are the heartbeat of this organization. If a Hunterdon Health doctor has made a difference in your life, I invite you to make a donation in their honor today. Along with your gift, you can include a personal thank you message that we will hand-deliver to your doctor—it truly means the world to them to see your notes of gratitude.

I also hope you'll join us for a very special event hosted by the Hunterdon Health Auxiliary. Splash

For those who may not be familiar, our MICU is essentially an "ICU on wheels." These units are staffed by highly trained paramedics who provide advanced life support and critical care at the scene of an emergency before a patient even reaches the hospital. Because every second counts during a medical crisis, the MICU is a vital lifeline for our region. You can find a more details on how the MICU serves our community below.

Finally, I want to thank you for the way you consistently show up for us. Whether you are honoring a physician today or joining us for brunch in April, your support ensures that we can continue providing the highest level of care close to home.

of Sparkle will be held at Fiddler's Elbow on April 19th. This Sunday brunch promises to be an afternoon of community and celebration, with all proceeds directly benefiting our Mobile Intensive Care Unit (MICU).

I look forward to seeing many of you at Fiddler's Elbow next month.

With gratitude,

Phil Beekman
Senior Vice President,
Hunterdon Health Foundation

Celebrating National Doctors' Day!

Today, we celebrate National Doctors' Day. Every day, our doctors make an extraordinary impact on the lives of people across our community.

Whether you've experienced it firsthand or through a loved one, the impact of skilled physicians is unparalleled. From welcoming new babies to providing critical cancer treatment, our doctors are at the heart of Hunterdon Health, offering exceptional, consistent and reliable care for everyone, no matter who they are.

Will you join us today with a gift of thanks?

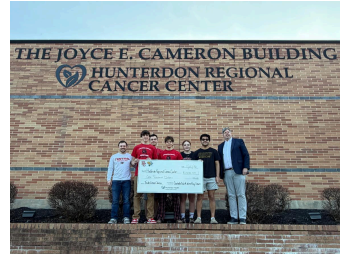

Honor Your Doctor Today!

What's Happening at Hunterdon Health Foundation?

On January 30th, the local community turned out for the annual HealthQuest Family Fun Night, raising \$2,250 to support Pediatric Services at Hunterdon Health.

The event took over the HealthQuest facility with a night of swimming, inflatables, and a balloon artist, giving local families a chance to connect while supporting a vital cause. More importantly, the funds raised stay right here in the community, helping Hunterdon Health provide specialized care for its youngest patients...(cont.)

Hunterdon Central Regional High School and North Hunterdon High School Wrestling teams held a tournament called "Taking Down Cancer" to benefit Hunterdon Regional Cancer Center. During the meet, the teams collected donations from attendees and sales from their concession stand. The Hunterdon Central students also wore t-shirts showing the names of loved ones and friends who have been impacted by a cancer diagnosis. Students from Hunterdon Central and North Hunterdon presented Hunterdon Regional Cancer Center with a...(cont.)

Hospital Corner

Following three hospital stays in 2026, 69-year-old Mary Lomerson of Clinton Township required essential support upon discharge. The Hunterdon Health Home Health team provided comprehensive recovery care, with a social worker connecting her to the Food2You Program, a service offered by the Flemington Food Pantry.

The Food2You home delivery service is designed for homebound clients in conjunction with Hunterdon Health. It provides groceries ...[\(cont.\)](#)

Hunterdon Health Invites You To A Discussion About
The Conversation of Your Life

Advance Care Planning

Join us for an informative and meaningful conversation in recognition of National Healthcare Decisions Day. This event will focus on the importance of planning ahead and having open discussions about healthcare wishes and decision-making.

A panel of professionals will discuss why these conversations can be difficult, yet essential for ensuring that individual values, preferences, and care decisions are respected. The discussion will also provide guidance on how families can begin these important conversations with loved ones.

Thursday, April 16, 2026
6:00 p.m. - 7:30 p.m.
(Doors open: 5:30 p.m.)
Location: Independence Manor
188 State Highway 31
Flemington, NJ 08822
(Behind Bjs)

PANELISTS

Elaine Vostrovsky, MSN, RN, CCDS
Administrative Director,
Care Transitions, Hunterdon Health

Laura Suozzo, LCSW
Social Work and Bereavement
Coordinator for Hunterdon Hospice

Heidi Grumbridge, APN
Hunterdon Palliative Care

Anthony J. Serra, Esq.
Managing Partner and Founder,
Serra Law Group

Join us for an informative and meaningful conversation in recognition of National Healthcare Decisions Day. For the first time, U.S. News & World Report evaluated post-acute care with the release of the Best Home Health Ratings.

More than 5,200 agencies met the U.S. News standards for care quality and patient experience. The publication included 43 New Jersey organizations in its analysis. Congratulations to Hunterdon Medical Center's Home Health department for making the list of high-performing New Jersey home health agencies. Hunterdon Health was one of eight...[\(cont.\)](#)

It's Not An Ambulance, It's a Mobile Intensive Care Unit!

While a traditional ambulance provides essential transport, our **Mobile Intensive Care Unit (MICU)** is essentially an "ICU on wheels." Staffed by highly trained paramedics, these units bring advanced life support directly to the scene of an emergency. This means that for patients experiencing a heart attack, stroke, or severe trauma, critical care—including intubation, cardiac monitoring, and the administration of life-saving medications—begins the moment our team arrives, long before they reach the hospital doors.

In a medical crisis, every second counts. Our MICU teams serve as a vital regional lifeline, working 24/7 alongside local rescue squads to stabilize patients during their most vulnerable moments. By attending the **Auxiliary's "Splash of Sparkle" brunch on April 19th**, you are helping us maintain the state-of-the-art technology and specialized vehicles required to provide this elite level of care. Your support ensures that when a neighbor calls for help, the highest level of medical expertise is already on the way.
