

Hunterdon Health

Hunterdon Health Foundation

E-NEWSLETTER

We've just wrapped up a very busy spring here at Hunterdon Health Foundation, and I want to thank everyone who supported our recent events. Thanks to your incredible turnout at the Auxiliary's Splash of Sparkle, our Mobile Intensive Care Unit (MICU) will now be able to administer life-saving, pre-hospital blood products in the field. Additionally, our Hunterdon Heroes Golf Classic raised an outstanding \$140,000 to benefit our medical center programs and services. Your generosity directly impacts our daily operations and ensures we can deliver high-quality care to our neighbors when it matters most.

Our Urgent Care centers have achieved a three-year accreditation from the Urgent Care Association (UCA). This designation means our facilities met rigorous national standards for patient care, quality improvement, health record management, and patient privacy, ensuring you receive excellent service every time you visit.

Looking ahead, Father's Day gives us a great opportunity to pause and reflect. I encourage you to celebrate the fathers and mentors who have helped you grow by dedicating a Light of Love in their honor (see below), keeping their memory and impact bright.

These achievements are only possible because of your continued support. As we enter the summer

That momentum is helping us reach several major milestones, most notably at the Hunterdon Regional Cancer Center, which has officially entered Phase II of its renovation project. This next phase is a major step forward for local oncology care, and we ask that you consider making a gift (see below) to help us support this vital project.

Alongside this growth, our commitment to patient safety was recently reaffirmed with our 13th consecutive Leapfrog "A" Safety Grade.

season, our expanded facilities, nationally recognized safety standards, and accredited care teams are fully equipped and ready to serve our region. Your involvement truly makes a difference in what we are able to accomplish within our health system every day.

Whether you choose to support the Cancer Center campaign, dedicate a light to a meaningful role model, or utilize our accredited urgent care services, thank you for continuing to stand with us.

I look forward to sharing a wonderful summer ahead with all of you.

With gratitude,

Phil Beekman
Senior Vice President,
Hunterdon Health Foundation

Thank You for Making Splash of Sparkle a Huge Success!

The Hunterdon Health Auxiliary recently hosted Splash of Sparkle on April 19th at Fiddler's Elbow Country Club. This Sunday brunch brought

together supporters from across the community to raise funds for a vital addition to our Mobile Intensive Care Unit (MICU). Through the support of our sponsors, the success of the Tricky Tray basket raffle, and the \$1,000 Visa gift card drawing, the Auxiliary met its goal to donate new blood transfusion machines to all units across our MICU division...(cont.)

What's Happening at Hunterdon Health Foundation?

It was a hot day at the Ridge at Back Brook on May 19th, but the high temperatures didn't stop the community from coming out to support Hunterdon Health Foundation. The Hunterdon Heroes Golf Classic successfully raised \$140,000, with every dollar going directly toward the medical center's programs and services. On the course, congratulations went to the...(cont.)

Hunterdon Health Foundation is pleased to announce it has been awarded its first-ever \$5,000 grant from the Connie Dwyer Breast Cancer Foundation (CDBCF). The funding will support the expansion of a targeted outreach and navigation program dedicated to serving underprivileged and vulnerable women in Hunterdon County and the surrounding region...(cont.)

On April 21st, we gathered in the Emergency Department to dedicate a plaque in memory of Dr. Richard Lunger. Dr. Lunger's career came full circle at Hunterdon Health, beginning with his family practice residency following his Navy service in Vietnam. After years in private practice at Charlestown and a stint as an Air Force Flight Surgeon, he joined our ER team in 1983. He remained a...(cont.)

Building the Next Chapter of Cancer Care—Together

Make a Gift!

When someone faces a cancer diagnosis, the last thing they should worry about is traveling far from home for world-class care. They need their family close by, and they need a healing space that feels safe. The renovation of Hunterdon Regional Cancer Center is moving into its second phase, bringing us one step closer to a completely transformed, comforting environment for our patients. This project isn't just about new walls—it's about creating a peaceful, supportive space for our neighbors when they need it most. We are reaching out to our community today because we cannot finish this vital space without you. Please consider making a gift to help us build a brighter tomorrow for local families fighting cancer.

Hospital Corner

Hunterdon Health received an "A" Leapfrog Hospital Safety Grade for Spring 2026. This national distinction recognizes Hunterdon Health's achievements in protecting patients from preventable harm and error in the hospital.

"We are proud to be nationally recognized for patient safety by receiving thirteen consecutive A grades. This signifies our outstanding effort and attention to patient safety which is at the...**(cont.)**

Shine a Light for Dad

Every year, Father's Day gives us a moment to look back with gratitude at the men and mentors who have filled our lives with love and support. Our Lights of Love tributes offer a meaningful space to celebrate them. By dedicating a light this May, you create a lasting tribute to a dad, grandpa, or role model, while directly funding the community programs we pour our hearts into every day.

Dedicate a Light of Love!
